

## FAIRWAY COLOR

**BOOST COLOR WITHOUT EXCESSIVE GROWTH**

*At various times throughout the season, fairway turf needs a boost in color without excessive growth. Power C and Largo deliver the key elements of color-enriching chlorophyll in a highly efficient and economical spray mix.*

### ■ GROWTH AND COLOR

**Carbon N** provides rapid color response from low rate nitrogen, molybdenum, and proprietary Carbon Power technology for improved nutrient utilization.

### ■ TIGHT TURF AND DENSITY

**Largo** initiates rooting, stress tolerance, turf tightening, and chlorophyll enzyme activators with patented biostimulant technology.

*Carbon N contains Floratine's proprietary carbon translocation technology to enhance uptake and utilization of nutrients.*
