

FALL ROOTING AND RECOVERY

GET BACK WHAT SUMMER TRIED TO TAKE AWAY

A long, hot summer can take its toll on your turf and your root mass. Try this easy to use TAP to ensure turf density, rooting, and recovery.

■ STRENGTH

Astron provides rooting and complexed zinc for reduced temperature stress.

■ ROOTING

P-48 is a foliar charging macro and micro nutrient soluble with a high phosphorous analysis for root initiation and pure energy.

■ ENERGY

ProteSyn for molecular strength from simple and complex carbohydrates and amino acids.

■ GROWTH & COLOR

Carbon N delivers moderate, consistent growth with Carbon Power technology for turf strength.

■ TRANSLOCATION

Carbon K addresses heat and wear tolerance from highly available potassium with proprietary Power Plant technology for superior translocation.

Carbon N and Carbon K contain Floratine's proprietary carbon translocation technology to enhance uptake and utilization of nutrients.
